

Briefing Notification to County Manager

Prepared by the Maricopa County Air Quality Department

Case #/Title: AQ-2013-002-Rule 345

Supervisor Districts: All Districts

Overview: Revisions being proposed to Rule 345 (Vehicle and Mobile Equipment Coating) will incorporate new federal requirements for emissions from spray painting operations and equipment, recordkeeping, and training requirements. Also, proposed rule revisions will clarify emission limitations and work practices.

The department anticipates significant stakeholder involvement, as there are more than 100 sources in Maricopa County that could be affected by the proposed rule revisions. Sources subject to Rule 345 include vehicle refinishers and mobile body shops.

Next Steps: County stakeholder workshop/public workshop has not been scheduled yet.

Rulemaking will follow Enhanced Regulatory Outreach policy and workflow process.
